

Treadmill

TM5050

TREADMILL TM5050

Compatible with IHP Function

Synchronizes your account with your equipment by APP, via Bluetooth and provide an efficient method to reach the fitness goal.

Impact Absorbing Compression Shocks

The TM5050 uses 8 independent compression shocks to absorb impact as your foot strikes the belt, allowing you to walk or run longer with less stress on your body.

USB Charging Port

With one rear USB port for charging portable devices. Charge your iPod, cell phone or other USB device right on console.
